Safety, Aesthetics Spark No Parking Zones for Large Commercial Vehicles

SAN BERNARDINO - The Board of Supervisors on Tuesday instituted no parking zones for commercial vehicles weighing over 10,000 pounds on a slate of mostly residential roads in unincorporated Fontana.

"This action comes as a direct result of residents letting us know about a problem in their neighborhoods," Second District Supervisor Paul Biane said. "Residents said commercial vehicles created traffic hazards and noise and that drivers often left trash in their neighborhoods. Our Public Works staff researched the concerns and determined that residents' concerns were warranted."

The no park zones will be established on Arrow Route, Live Oak Avenue, Hemlock Avenue, Robinia Street, Valencia Avenue and Windrose Place.

The exact locations are as follows:

- Arrow Avenue from Live Oak Avenue east to Beech Avenue

- Hemlock Avenue from 730 feet north of Whittram Avenue north to Arrow Route
- Live Oak Avenue from Whittram Avenue north to Arrow Route
- Robinia Street from Valencia Avenue north to Arrow Route
- Valencia Avenue from Live Oak Avenue east to 0.12 mile east of Live Oak Avenue
- Valencia Avenue from Robinia Street east to Hemlock Avenue
- Windrose Place from Valencia Avenue north to 0.04 mile north of Valencia Avenue

San Bernardino County Public Works will install signs stating “No Parking of Commercial Vehicles over 10,000 Pounds/Tow-Away Zone” where appropriate.
